Founder of a design and communication company specializing in logo design, marketing, and brand identity for local and nationwide private companies, organizations, commercial businesses, and consumers.

The Little Book of Simple Sayings by Cameron Killian

Author and Illustrator

Published in December 2017

This work of art, "The Little Book of Simple Sayings," compiled and illustrated by 17-year-old Cameron Killian O'Keefe is an uplifting series of messages designed to nurture the youth and all who open it. Her own journey with Syringomyelia and Chiari Type I Malformation encouraged her to write and dedicate this book to her surgeon and to the children with whom she shares those experiences on the 12th floor of St. Louis Children's Hospital. **Donates 100% of profits from book sales to support research of Chiari Malformations (underwent bone decompression surgery in 2011 to stop paralysis progression).**

Bumble

Campus Lead

September 2021 – Present

Led and motivated a team of 3 at SCAD. Acted as liaison between Community Leaders and Bumble HQ. Communicated monthly learnings from HQ to the team to optimize the program and local marketing strategies. Oversaw and executed several events on a monthly basis from start to finish, and managed budget, team operations, and logistics.

The Forge Media

Designer

June 2021 – September 2021

Created the entire brand identity for the website and social channels, and worked alongside senior editing staff in motion graphics.
